Specifications

SKU: 151426

Weight (lbs): 11.60

UPC: 885911229043

Country of Origin: MX

Product Width (in): 7.00

Product Length (in): 15.40

Product Height (in): 9.80

Model Number: DCK280C2

Manufacturer Name: BLACK & DECKER/DEWALT

California Residents Proposition 65:

Some dust created by power sanding, sawing, grinding, drilling, and other construction activities contains chemicals known to the State of California to cause cancer, birth defects or other reproductive harm. Some examples of these chemicals are: lead from lead-based paints, crystalline silica from bricks and cement and other masonry products, and arsenic and chromium from chemically-treated lumber. Your risk from these exposures varies, depending on how often you do this type of work. To reduce your exposure to these chemicals: work in a well ventilated area, and work with approved safety equipment, such as those dust masks that are specially designed to filter out microscopic particles.
